Please Re-Elect Me for a Third Term!

There is another election coming and I am asking for a third term as Fifth Ward Alderman. Below I want to share with you some of the accomplishments of my **second** term. I am not attempting to rest on past achievements. I hope you will believe these are significant enough to vote for me in the upcoming election.

Two Major Accomplishments of Second Term

I feel my two biggest accomplishments were creating a chapter of the **Guardian Angels** to fight crime and the work I have done in helping the **Village of East Davenport** develop a **vision and plan**. Both projects are going well.

In a short time we have developed one of the best Guardian Angel chapters in the U.S. We were the first in Iowa and some cities are following our lead. At present we can put about **20 to 25 Guardian Angels on the street**. By comparison Chicago can put about 40 to 50 on the street. The Guardian Angels have made a big difference downtown and have made several arrests and broken up many fights.

The Village of East Davenport has been a real **success story**. About two years ago I began to work with them. We had many empty businesses. Early in 2007 we unveiled a plan for the Village and in a few months we added 11 new businesses. There is a long way to go, but this is a **great** start.

Promises Kept

One of the things I promised was that I would never criticize a situation unless I provided a solution and I believe I have done that. The best part of what we have done in these two accomplishments is that **they cost the taxpayers nothing**. Much can be accomplished without taxpayer money, and this proves it. I believe I have lived up to **my pledge to be the taxpayer's friend**.

Thank You!

Thank you for giving me the honor of serving you for almost four years. I would like to be **re-elected to continue working** on many of the projects of my last two terms and to **start more**.

Some Accomplishments over the Last Two Years:

- ◆ **Created** a chapter of the Guardian Angels
- ◆ Worked with the Village of East Davenport to **develop expansion plan**
- ◆ Worked to **reduce** storm water fee
- ◆ **Saved** the fire unit without increasing taxes
- ◆ Worked to **reduce** property tax levy
- ◆ Continue to provide **only** ward newsletter
- ◆ Maintains an **informational** website
- ◆ Frequent ward meetings
- ◆ Worked to **expand** community based policing (NETS)
- ◆ Worked to **expand** police volunteer program (VIPS)
- ◆ Leadership in improving **city technology**
- ◆ Worked to move city toward **professional budgeting**
- ◆ Worked with neighborhoods to dispense beautification money
- ◆ Worked with St. Ambrose University to create **research institute** to save city money
- ◆ Fought to get baseball team to pay lease payment **on time**
- ◆ Working to make city more **customer friendly** and more **business friendly**
- ◆ Worked to **clean up** the Fifth Ward and **eliminate** abandoned cars.
- ◆ Worked to get new Walgreens at Locust & Brady **coming soon**.
